## **BERESET:** The Revolution of Your Posture and Performance

Discover **BERESET**, the revolutionary bracelet that transforms your body and well-being, one step at a time.

Imagine perfect posture, muscles working more efficiently, and less pain, all accompanied by a boost to your performance and sports recovery. **BERESET** is more than just technology—it's your ally for a harmonious and agile body.

Thanks to a calibrated ultrasonic wave, **BERESET** communicates directly with your central nervous system, resetting postural patterns and selectively relaxing muscles for an unparalleled experience of lightness and control:

- Realigns shoulders and iliac crests.
- Reduces muscular asymmetries in the lower limbs.
- Enhances your body's flexibility, from head to pelvis.

And that's not all: with consistent use, **BERESET** stabilizes your posture over time. In just 18 months, your rebalancing becomes permanent. Elegant and discreet, **BERESET** goes wherever you do: at work, at the gym, even while you sleep. Simply wear it and let its technology do the work.

**BERESET:** The future of posture is here. And you're the one wearing it.

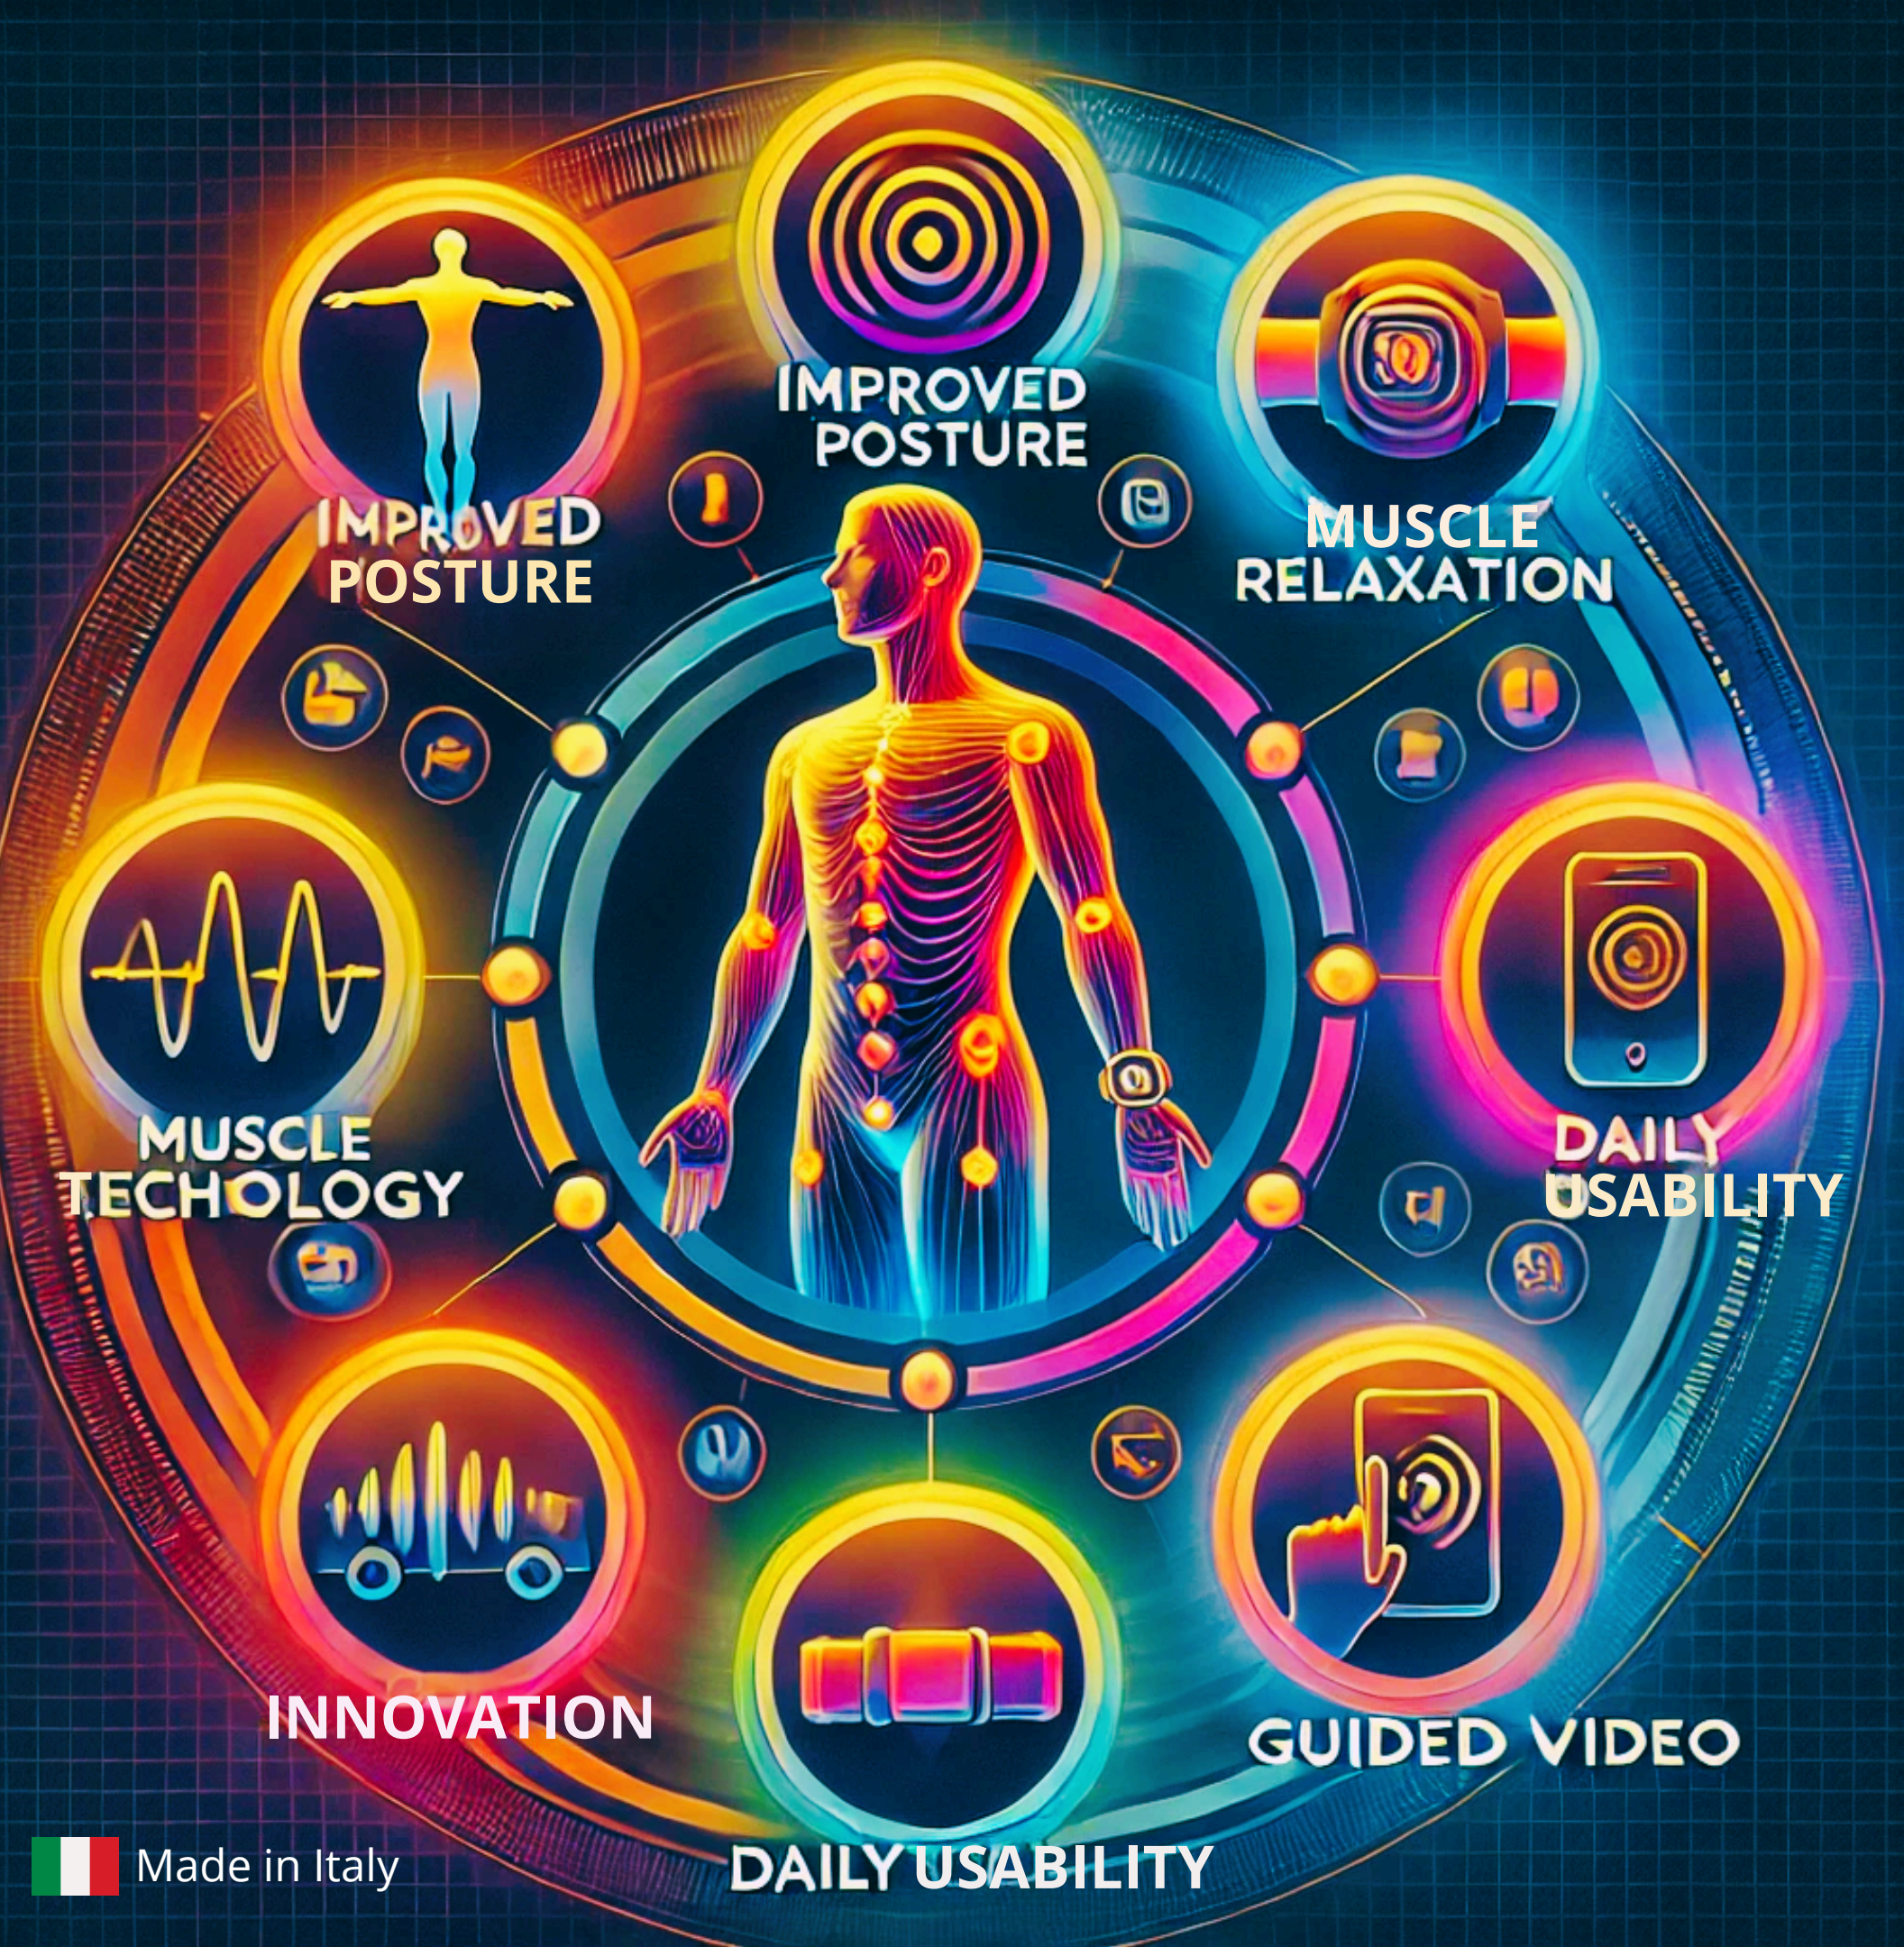

## Included with BERESSET:

A Comprehensive Program for Your Well-Being

- With **BERESSET**, you're not just purchasing an innovative product—you're embarking on a personalized journey to improve your posture and well-being:
- **Free Postural Analysis:** With our “Self Scan” service, you'll receive a detailed report on your postural condition.
- **Targeted Exercise Program:** A personalized plan of corrective exercises, to be performed 2-3 times a week, designed to enhance the device's effectiveness.
- **Video Support:** Step-by-step guidance through illustrative videos, for an intuitive and straightforward experience.
- **BERESSET:** Technology, support, and personalization—all in one purchase.

## "The Benefits of **BERESSET** at a Glance"

- **Immediate Improvement:** Experience benefits from the very first days, thanks to targeted muscle relaxation and postural realignment.
- **Innovative Technology:** Ultrasonic waves that communicate with the nervous system to reset your postural patterns.
- **Everyday Usability:** Elegant, discreet, and wearable anywhere—even while sleeping.
- **Long-Lasting Results:** Stabilizes your posture over time.
- **Personalized Support:** Free postural analysis and a tailored exercise program with intuitive video guides.

## How Does **BERESET** Work?

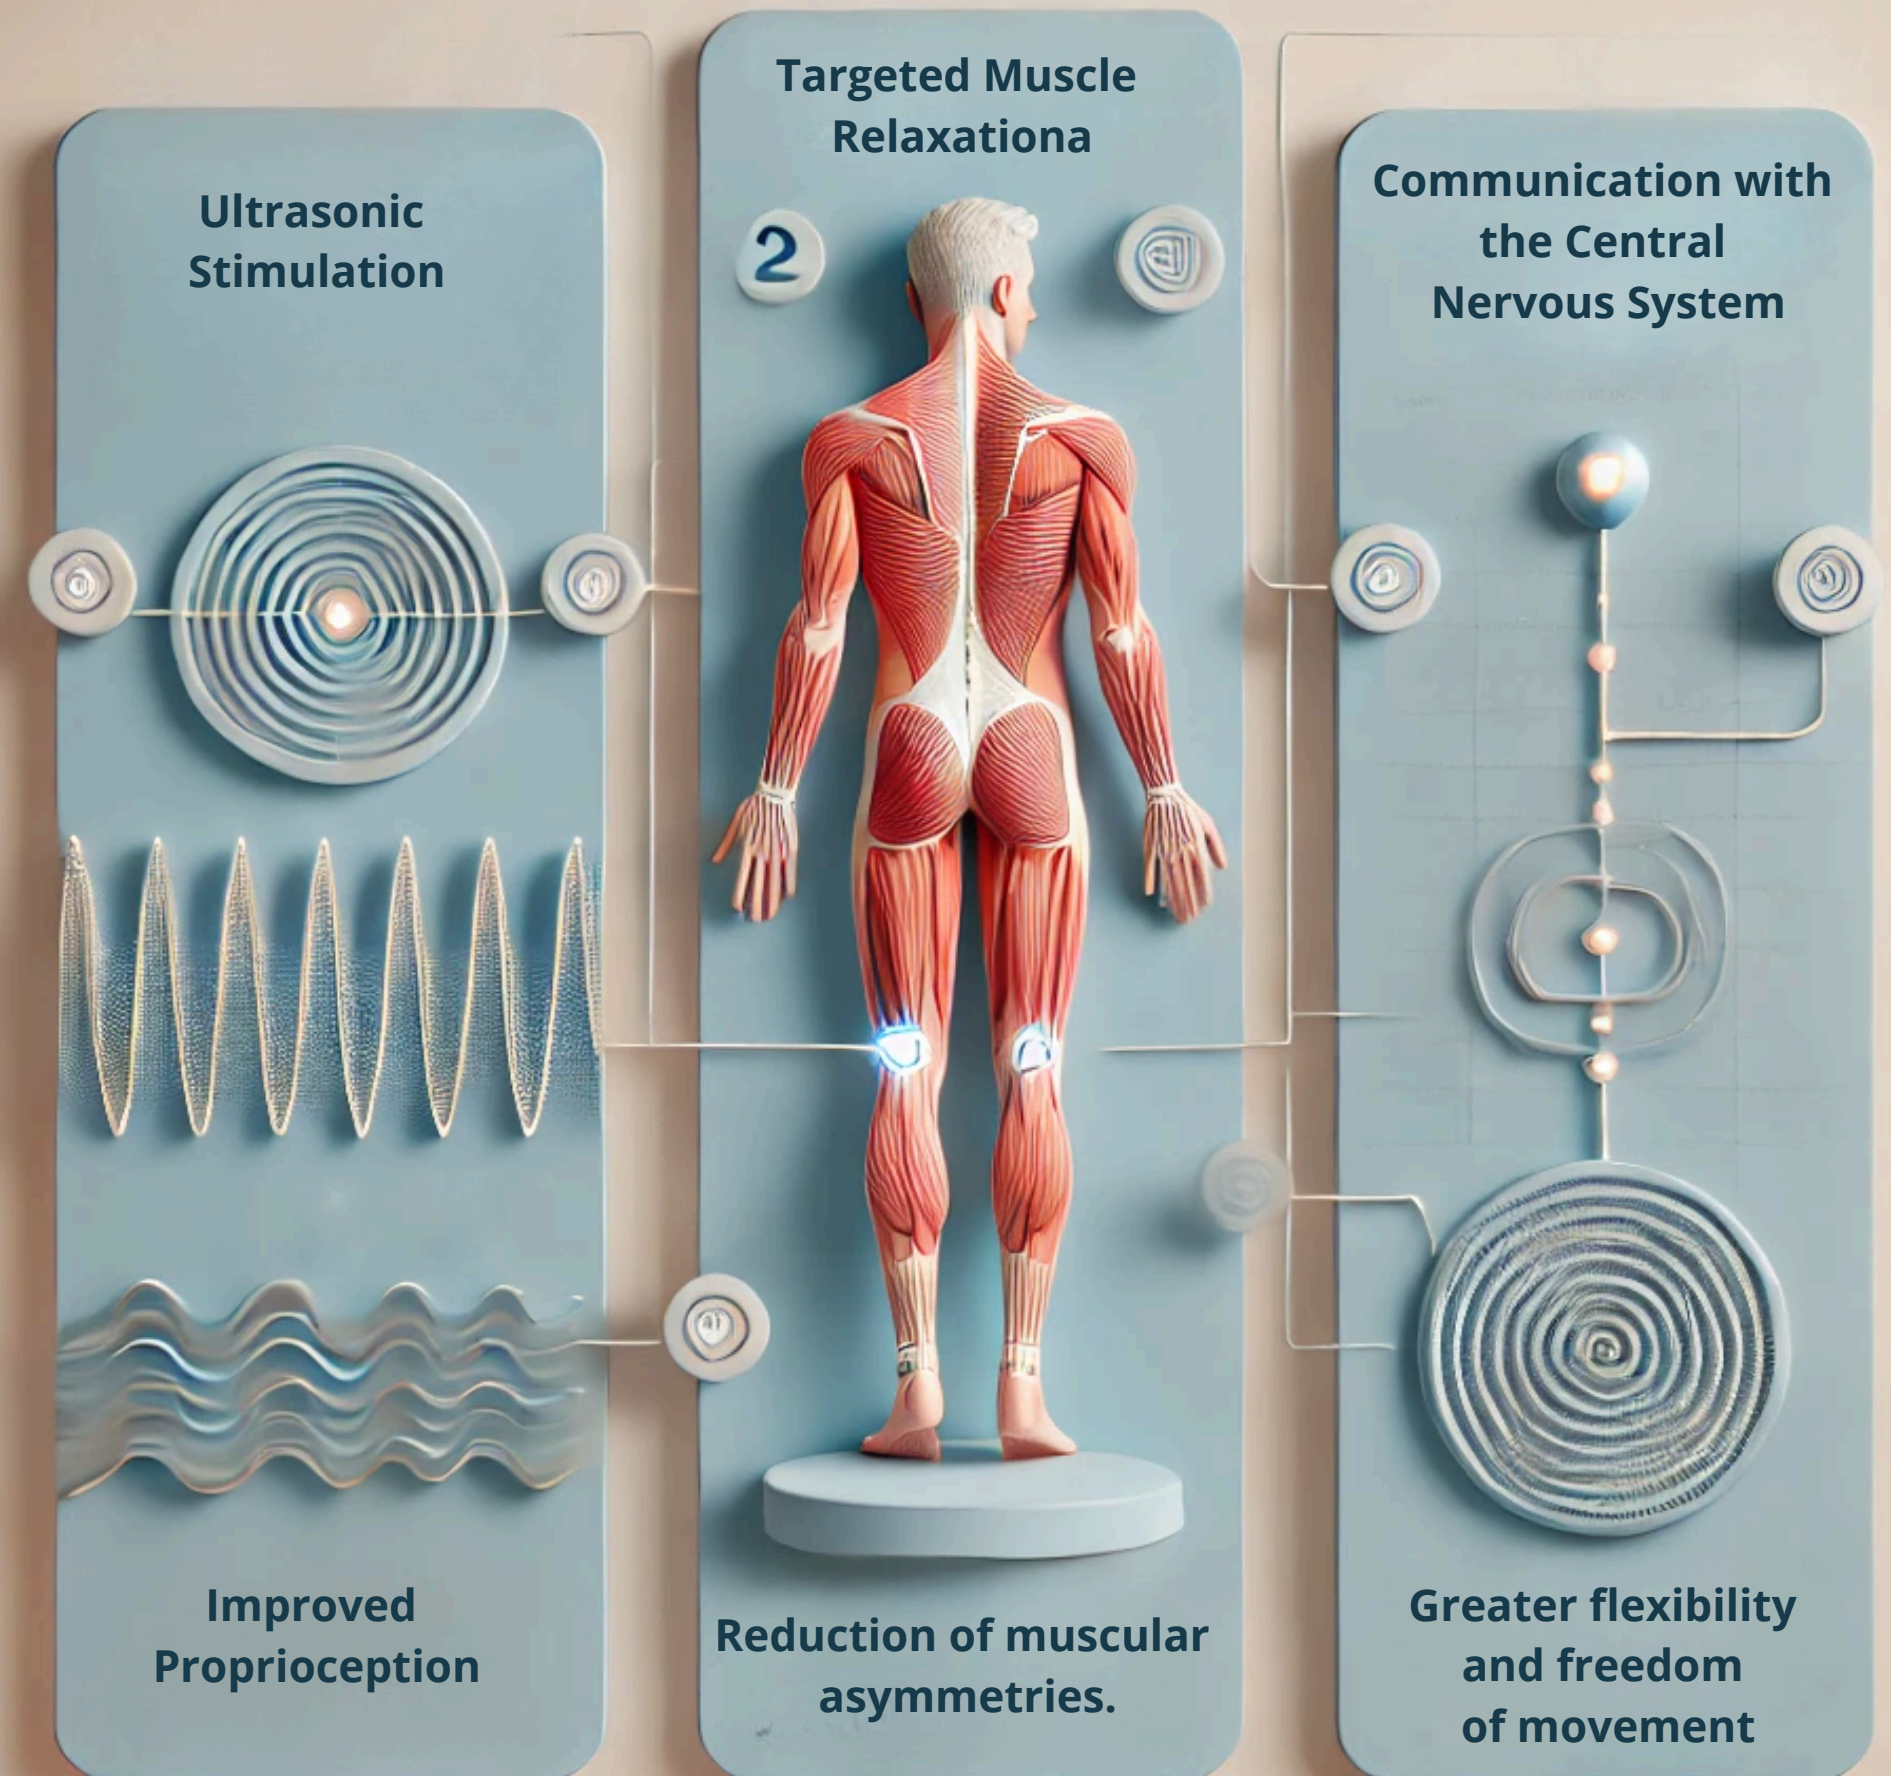

- **Ultrasonic Stimulation:** The bracelet emits ultrasonic waves at a specific frequency that stimulate skin receptors.
- **Communication with the Central Nervous System:** The information is transmitted to reset postural patterns.
- **Targeted Muscle Relaxation:** Muscles relax selectively, promoting better balance.
- **Improved Proprioception:** Achieve a more stable posture and a more harmonious body.

## Tangible Results:

- **Realignment of shoulders and iliac crests.**
- **Reduction of muscular asymmetries.**
- **Greater flexibility and freedom of movement.**
- **A discreet and continuous process that works for you, wherever you are.**

## Athletes

## Workers

## Seniors

## Who Can Use BERESSET?

**BERESSET** is a versatile product designed to improve the lives of anyone seeking better posture and less muscle pain.

**Discover how it can fit your needs:**

### **Athletes**

Unlock your full potential! With BERESSET, you'll enhance flexibility, muscle recovery, and postural stability, taking your athletic performance to the next level.

### **Workers**

Spending hours at your desk? BERESSET helps combat muscle stiffness and maintain proper posture throughout your workday.

### **Seniors**

For an active and pain-free life. BERESSET improves balance, mobility, and quality of life, offering comfort and stability.

### **Why Choose BERESSET?**

Suitable for everyone, easy to use, and discreet, it's your ally for perfect posture every day.

**1. How long should I wear BERESSET each day?**

You can wear it during all your daily activities, including sleep. For optimal results, continuous use is recommended.

**2. Is it compatible with other therapies?**

Yes, BERESSET does not interfere with medications or other treatments. Always consult your doctor for specific concerns.

**3. Can I use it if I'm pregnant or breastfeeding?**

Its use is not recommended during pregnancy or breastfeeding.

**4. How do I recharge the device?**

Use a USB-C cable and a power adapter that meets the specifications indicated in the manual. A yellow light indicates charging, and it turns green when fully charged.

**5. Is it waterproof?**

No, BERESSET is not waterproof. Do not wear it during bathing, showering, or swimming.

**6. When will I start seeing results?**

Initial benefits may appear within the first few weeks, while results typically stabilize after approximately 18 months of continuous use.

**7. Can I use it if I have a pacemaker?**

No, BERESSET is not suitable for individuals with pacemakers or similar medical devices.

**8. Is it suitable for children?**

It can be used by children over the age of 8, but only under adult supervision and with medical evaluation.

**9. What kind of support is included with the purchase?**

With BERESSET, you receive a free postural analysis through the Self Scan service and a personalized exercise program with video guidance.

**10. How do I dispose of the device?**

At the end of its lifecycle, dispose of it at electronic waste collection centers following your local regulations.

# Ready to Revolutionize Your Posture?
